STUDENT/PARENT ATHLETIC HANDBOOK

The Belding High School Handbook is available online at bas-k12.org under athletics or you can request a copy from the athletic office.

In summary the athletic handbook shares the guidelines and rules for participation in athletics, including rules regarding, academic eligibility, attendance, our athletic code/behavioral expectations at school and outside of school and consequences, communication between coaches, players and parents, and other items.

STUDENT ATHLETIC ATTENDANCE REQUIREMENT

Students must be in attendance the entire school day to participate in a game or practice that day. Exceptions, **pre-excused absences**, may be made in advance (Prior to the start of the school day) by the Athletic Director or Principal for valid reasons other than sickness. **When not excused in advance, the administrator will grant permission for participation only with proof that the student had a doctor's appointment or in the case of extenuating circumstances. Students and parents are asked to make every reasonable effort to have the student-athlete in attendance for as long as possible on days students have appointments.** NOTE: Whenever a student-athlete must miss school the earlier the communication with the school and Athletic

Director the better. If the Athletic Director is not available, see the Principal or Assistant Principal or call the school attendance line 616-794-4979 the night before the doctor appointment and leave a message.

Note: If a student is late to school by more than fifteen minutes that is considered an unexcused absence per our school handbook so an athletic will not be allowed to participate that day.

By signing this paper, I acknowledge as a student-athlete and a parent/guardian that I understand the rules and guidelines regarding Belding Area Schools expectations for our student-athletes. I realize that the athlete's behavior inside and outside of school that does not follow the code of conduct will/could result in consequences.
