APRIL 2024

## This Month in STEAM

This month brings our first Belding Area Schools K-12 Art Show! Ms. Hosko, Ms. Beuschel, Mrs. Eiko, Mrs. Sprague, and I are very excited to showcase our student's artwork on April 29th at the high school! Please see the next page for more information about opening night.

Also in April, fifth graders are starting their internet safety unit, fourth graders are getting messy with some papier mache art projects, and third graders will be working on making some mixed media art with oil pastels, watercolor paint, and digitally created designs!

Sincerely, Mrs. Courier

## This Month in Music

In music 3rd and 4th graders will be utilizing bookmakers and game play to practice singing voice and understanding of rhythms. 5th graders will begin composer research projects and discover what makes their composer pivotal to the development of music.

Sincerely, Mrs. Rich

## This Month in P.E.

In PE we are going to start preparing for our mile run after spring break. We will have our **BRAND NEW FLOOR** in the gymnasium! Please make sure we have a pair of shoes that are dedicated to indoor use only (no crocs or sandals permitted due to the possibility of injury).

We will also be preparing for field day on May 23, and all the games and preparation that it encompasses. We are in need of donations of ice for our sno-cones, and may be in need of a few individuals to help grill hot dogs. Please reach out if you would like to help at [oswaldrebas-k12.org](mailto:oswaldrebas-k12.org). Thank you!

In good health,  
Mrs. Oswald
