

WOODVIEW NEWS

OCTOBER 13, 2023

NOTE FROM: MR. COOK

There has been an increase in toys (Pokemon cards, stuffed animals, dolls), electronic devices and other items coming to school with kids. I would like to encourage our students not to bring toys and electronic devices to school because we are not responsible for things that are broken or misplaced. We would really hate to see something come up missing or broken. Thank you for your understanding and support, we really appreciate all that you do for us.

WOODVIEW CLASSROOM PUMPKIN DECORATING CONTEST

Woodview classroom pumpkin decorating contest. Voting is done by donation. All money raised will help provide food for Woodview families in need during the holidays.

LOST AND FOUND

Our Woodview lost and found is over flowing in the front lobby. Please stop by and claim your lost items.

FOOD SERVICE

Food Service - All students K-12 will receive free breakfast and lunch this year. Although there is no paperwork to qualify for free meals this year, we are asking every family to fill out the household information report. Please scan the QR code for Meal Magic and go to apply for benefits.

SCAN ME

FEVER - Temperature of 100.0 or higher is an indication that your child is ill and likely contagious. Giving a child Tylenol or Motrin will bring their temperature down and make them more comfortable, but will not prevent them from passing their illness on to classmates. Temperature must be normal for 24 hours without medication before they can return to school.

VOMITING & DIARRHEA - Please do not send your child to school if they are vomiting or having 2 or more watery stools in a 24 hour period.

EYES - We understand that eyes are sometimes swollen and irritated by allergens or viruses. Because of the extremely contagious nature of Bacterial Pink Eye, we ask you to consult your doctor before sending your child to school with these symptoms: thick mucus draining from eye, or if the eye is red, puffy, itchy or painful. Your child can attend school 24 hours after starting medical treatment (medication).

RASH - Body rash, especially with fever and/or itching. Students with infectious rashes such as ringworm, impetigo and scabies will be excluded from school until they are under an effective treatment (medication) and no longer considered contagious.

SORE THROAT OR COUGH - Especially with fever, or swollen glands in the neck. A frequent or severe cough can be a distraction to the class. Please do not send cough drops with your child for coughs unless it is also accompanied with written permission by parent and physician.

Head Lice - Children cannot return to school until their hair has been treated with an appropriate lice treatment (either over-the-counter or prescription). They are to be free of live Lice. The student must check in with the school nurse before returning to class.

ONLINE REGISTRATION AND UPDATES

If you have not updated your child's information in Skyward, please do so as soon as possible.

If you are having trouble with your Skyward login please contact our Technology Department at 794-4552

BOARD OF EDUCATION - BOARD MEETINGS

Board meetings are held the third Monday of every month at the Orchard Hills Building, Belding, MI 48809, starting at 6:30 p.m.

Belding Committee meetings are held the second Tuesday each month starting at 6:30 p.m.

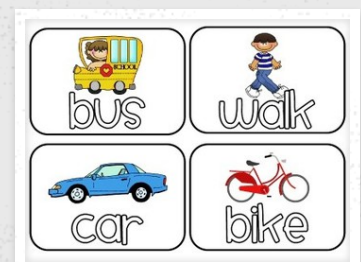

Public attendance is welcomed and encouraged.

TRANSPORTATION CHANGES

Please call the Woodview office 616-794-4750

before 2:00 p.m. with any student transportation changes.

This assures your student will get the information on time before the end of the day.

The office gets busy towards the end of the day.

The quickest way to make a schedule change is email

wv-trans@bas-k12.org or email your student's teacher.

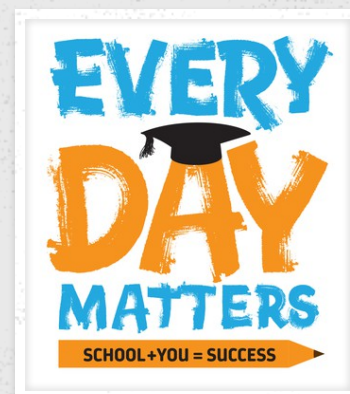

It is still recommended that all request are made before 2:00 p.m.

ATTENDANCE LINE

If your student is going to be absent from school please call the
24 hour attendance line 616-794-4748.

Please leave the following information:

- Students Name
- Reason for the absent
- Teachers Name
