

# WOODVIEW NEWS

March 22, 2024

## Note from: Mr. Cook

We are starting the state assessment called M-STEP.

This is a computerized test not a paper pencil test. The students will use Chromebooks to take this test.

It will cover reading, and math for 3rd and 4th.

In Fifth grade, they will take the math, reading, science and social studies test.

The test is given in the spring starting in April.

The fifth grade will test on April 11, 16, 18 and 23, fourth grade will test April 25 and 30 and third grade will test April 17 and 24.

**It is very important that we have your students here on these days well rested (8 hours of sleep).**

**Please do everything in your power not to make appointments during the testing window.**

With the test being computerized, test makeups will be difficult, as other people will be testing during that window.

Thank you for your support and understanding.

## Thank You

A big thank to all students, parents and staff, for supporting the Woodview library. Everyone was so generous donating their extra change while also purchasing books from the book-fair. I will be adding new books and replacing some of our overly loved books in the library for the 24-25 school year. We have an amazing

collection of library books, because of our wonderful Woodview families.

Thank You
