Emily

Iris

Tucker

Last week three students were given ties, Emily Barron, Iris Michelson, and Tucker Newland. These students were chosen because of their **consistency** in always completing homework on time, earning excellent grades on tests, having a positive attitude, and giving amazing participation in class. Great job students at giving such great effort all the time.

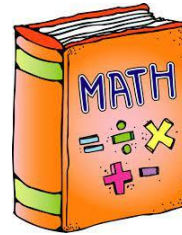

Aniyah

Melanie

This week's tie winners are Aniyah Hall and Melanie King-Waite. These girls have stood out in the example they have set. Both girls have displayed a great attitude and have been **making great use of their**

**time** in class. Great job girls! Keep up the great work.

## Math:

In math we are still working with fraction. Currently we are studying the relationship between decimals and fractions and how they are interchangeable. We will soon be studying multiplication of mixed numbers and how it applies to measurement as well.

## Language Arts:

Students have been reading about different cultures and their traditions. We have talked about how many things are similar to the United States as well. Please ask your child to explain some of the differences from our story "They Don't Mean It".

**Spelling:** Spelling has returned to its normal schedule. The papers will go home

on Monday and are due back on Thursday. Students need to write the words twice on the front and complete the word meaning on the back.

**AR Reading Goals:** Today was the 25% checkpoint for AR. It is very important for students to be reading for 30 minutes each night.

**Science:** Students have begun the Spaceship Earth unit. They have worked at calculating how fast the earth revolves and looked at how the first clock was set. We are waiting for a sunny day so that we can make our sundial/paper clocks.

**History:**

In history we have begun studying the events leading to the American Revolution. We recently have studied the Boston Tea Party are currently learning about the first shots of the American Revolution.

Information is going home today about our 5<sup>th</sup> grade end of the year field trip to Henry Ford Museum and Greenfield Village. We usually have around 200 students and adults that attend this trip and are hoping again this year to have a great turnout. The trip this year is on Friday, May 24. Please fill out and return the packet of papers as soon as you can. The adult seats are first come first serve until the motor coaches are filled up.
