

WEEK OF APRIL 22ND

# Mrs. Wood's 3rd Grade

## this week

### • READING:

We are reading argumentative texts about different types of energy sources. We will be talking about fossil fuels, wind energy, and solar power.

### • WRITING:

We will be working on writing our own argumentative text. Students will argue what type of energy source they think is best.

### • MATH:

We have started a new module on collecting and graphing data using tape diagrams, charts, and line plots.

### • SCIENCE

We are learning about animals through time. We will be discussing fossils and changing environments.

## at home reminders

The end of the year is quickly approaching, which means many exciting things are coming up.

Wednesday we finish our last standardized test of the year. Please make sure your child has a good night of sleep and is on time the next morning.

As always, if you have any questions please reach out. Enjoy the sunshine!
