Program

Save the Date

Dec. 12th Field Trip to Lansing

We will be traveling to Lansing to visit the Capitol and the Michigan History Museum.

Parents will be able to attend this trip. Permission slips will be sent home in November, but we wanted you to know in case you need to make arrangements to miss work.

Music Program Also Dec. 12th

Students should arrive and meet us at 5:45 p.m. at the high school. The 4th grade program will be at 6 p.m.

Mrs. J. Feuerstein and Ms. Takens

Mrs. J. Feuerstein: Phone: 616 794-4767 Email: feuerstj@bas-k12.org

Ms. Takens: Phone: 616-794-4147 Email: takensm@bas-k12.org

Greetings from 4th Grade!

Hello—it is hard to believe that next week is already the end of October! This year seems to be zooming by!

Last week, we decorated a pumpkin and it is in the lobby along with all of the other classroom's pumpkins. Students are able to bring in change or dollar bills to vote for their favorite pumpkin. The \$ raised will go to buy food for needy families for the holidays.

Students continue to do an amazing job with their Orange folders. Orange folders are given out on Monday and need to be completed correctly by Friday.

We had a lesson this week with Ms. Chernoby, the school counselor. She read students a book and discussed the difference between bullying and mean behavior. Kids did a great job interacting during a discussion and earned a class B-Slip.

We are up to 18!!

The Scholastic Bookfair will be going on in the library starting on Tuesday, October 31st. We will visit as a class and students can go back if they have money other days. Thanks!\

***Conferences will be Wednesday afternoon starting at 12:30 and Thursday after school. See you soon!!

Math: We continue to work in Module 2—multiplication and division. This week we have tackled some more involved division problems. Students continue to have nightly homework. Most students are doing a nice job returning nightly homework. Any practice that students can do with those multiplication facts would be helpful.

Social Studies: We are learning about government in Social Studies. We started with a KWL to find out what the class knows about government. We have listened to books about government and will be completing an art project where we each make a tree with the 3 Branches of Government. We hope that this will make our trip to Lansing a bit more meaningful.

AR: Students that were able to reach their AR Goal in 1st Marking period, attended a reward time today during RTI time. Our class had 14 students reach their goal. New goals were given out this week for 2nd marking period.
