**Ms. Takens: Phone: 616-794-4147 Email: [takensm@bas-k12.org](mailto:takensm@bas-k12.org)**

## **Greetings from 4th Grade!**

Hello—happy first day of December! Time sure continues to fly. Thanks for your understanding with our field trip change from Dec. 12th to March 1st. The students were disappointed, but handle the news well.

Students continue to do an amazing job with their Orange folders. Orange folders are given out on Monday and need to be completed correctly by Friday.

**Please be sure to send your students in with winter gear. They are out before school, after eating lunch and again in the afternoon for recess.** They are expected to wear coats when temps are below 50 degrees.

**Holiday Party Information:** Our party will be held first thing in the morning on our half day, December 22nd. It will be short, but we will be able to eat a tasty breakfast before we go off to our holiday rotations. Mrs. J. Feuerstein and Ms. Takens will plan to cover breakfast items and drinks. Parents are welcome to send in a holiday snack to be enjoyed the week of December 18th during snack time. Send an email or a text if you have questions.

**Math:** We took a test on Monday, November 20th on Module #2. We started Module 3 this week. We continue to work on more challenging multiplication and division problems. Students continue to have nightly homework. Most students are doing a nice job returning nightly homework. Any practice that students can do with those multiplication facts would be helpful.

**Social Studies:** We will be wrapping up our Government unit by the middle of next week. Ask your student about the three branches of government. They should know who is in each branch and their basic job is. We will send home a study sheet the day before the test.

**AR:** Students should continue to be reading at home and taking AR tests. Our class board will be updated next week—Thursday, December 7th.
