Valentine Information

*Students are encouraged to decorate and/or build a box to collect their cards in at our Valentine's Day party.

*Party information was emailed/texted today. We will be having a party on 2/14 at 2:30 p.m. We will be having pizza, breadsticks & treats.

*Those not decorating a box or bag at home will be provided with a white bag here to use at the party.

Greetings from 4th Grade!

Greetings from 4th grade. Our Valentine's Day parties will be on February 14th. We will be having a pizza party with some extra treats on Wednesday, February 14th starting at 2:30 p.m. The school has valentine cards if your student needs a box. I am also sending home another copy of the name list with this newsletter. Conferences will happen the first week of March. This sign up will come home the third week of February.

Remember that students are out 3 times a day for recess. Please be sure they are bringing their outside gear and wearing it.

Math: Students took a test on Module 3 last Monday. We started Module 4—Fractions on Tuesday. Each night, students have a homework that should be completed at home. There is also an info sheet at the front of the homework with example problems. Also, if your student is not bringing home their homework, please encourage them to get this extra practice in.

Science/Social Studies: We are will be finishing up our Sound unit this week. We will then start a Social Studies unit on the regions of the United States. Students will be labeling each state and capital. We will also be learning key details about each region.

Language Arts: Our focus in whole group Wonders is now biography. We also continue reading groups during our Google Classroom time. When students are not in a group, they are completing items assigned in their google classroom. We are using companion books from Wonders. We also do spelling activities, sentences, and a weekly dialogue journal. This journal allows us to practice our writing and get to know one another.

AR: Students were given their AR point goal last week. Everyone has started to take tests. 3rd marking period ends on March 8th. Keep reading and taking tests.
