10/2—10/6

Monday—Yellow
(Childhood Cancer)

Tuesday—Blue
(Colon Cancer)

Wednesday—Green
(Lymphoma Cancer)

Thursday—Orange
(Leukemia Cancer)

Friday—Pink
(Breast Cancer)

Greetings from 4th Grade!

Hello! Happy Fall! We are doing well in 4th grade at Woodview. Students have learned our routines and are doing well in the classroom. We are continuing with RTI groups each day for those that need some help with reading and we have added class reading groups with either Mrs. F. or Ms. T. Students are using Google Classroom for 45 min. daily. They have books to read, AR tests to take, Science assignments and skill practice on IXL.

This week we made it to 10 class B Slips. We enjoyed a large bag of Wesco popcorn and watched a movie together.

Math: We are close to being done with Module #1 in Math. Today, we completed a short check point quiz in class. This had addition, subtraction and rounding on it. We will complete the last 2 lessons next week and then review before the end of Module test. Most students are doing a nice job returning nightly homework. **WE DID NOT HAVE HOMEWORK Thursday or Friday this week.**

Science: We have completed four lessons in our first unit in Mystery Science—"The Birth of Rocks". We will continue do our final lesson next week that is based on Landslides.

Language Arts: We are in Unit 1 of our Reading/Writing program called "Wonders". This week we started to read stories that answer the question, "How do a person's actions affect others?" We also do a weekly dialogue journal. This journal allows us to practice our writing and get to know one another. We have also started spelling activities, sentences, and grammar practice.

AR: Our classroom AR board was updated for the second time today. Students have until the end of the 1st Marking period to reach this goal. The following prizes are given out in the classroom when they get to these benchmarks: 25% piece of candy, 50% mechanical pencil, 75% healthy snack, 100% a free book. Keep reading and taking tests.

BELIEVE WEEK: Next week, we will participate in Believe week. The colors for each day are listed in this newsletter. In class today, we decorated our class wooden pink ribbon. Each student also decorated a large pink ribbon that will hang on a 4th grade bulletin board. 4th Grade Believes!!
