

SEPTEMBER 18TH

Mrs. Wood's 3rd Grade

this week

• READING:

We are reading realistic fiction stories and talking about how cultures are important to us. We are focusing on visualizing the story as we read.

• WRITING:

We have talked about how a realistic fiction story is made up but could happen in real life. We will be writing our own realistic fiction stories.

• MATH:

We are working on skip counting to build our fluency in multiplication facts. We are currently working on multiplying by 4.

• SOCIAL STUDIES:

We will begin discussing Michigan as our home state! We will learn all about our state symbols and what makes Michigan so special.

at home reminders

Please continue working on skip-counting and multiplication facts at home. These are so important for the students to know as we continue working on them at school.

Next Thursday, September 21st, is our I Am Safe presentation. Please remember you only need to send the form back signed if you DO NOT want your child to participate.

We are really getting into a great routine here at school. It truly is so special being a 3rd grader!

important dates

Next week is spirit week! I have attached the flyer on the back of this newsletter.

September 20th - Half Day

October 20th - Half Day
October 23rd - Fall Break

November 1st - Half Day/Conferences
