

Mr. Groenenboom's 3rd Grade Class

November 21, 2023

Field Trip: We will be going to Calvin University on December 1st. The engineering department will be hosting us as “junior engineer students” for the day.

We will also be going to the Belding Museum and library. Permissions slips and an exact date will be sent home soon.

ClassDojo: We have everybody connected! Send me a message any time with any questions you may have. I will keep sharing updates on what we are doing in class.

IXL: We are at our goal of 1,000 mastered skills as a class before thanksgiving! We have used IXL daily for reading and math skills and have answered over 50,000 questions as a class.

Math: We are working on multiplying by 6,7,8,9. The class is making great progress with these new skills.

ELA: We have started out outer space/planet research unit. The kids are very engaged and motivated to learn about the solar system.
