Dec. 12th Field Trip to Lansing

We will be traveling to Lansing to visit the Capitol and the Michigan History Museum.

Parents will be able to attend this trip. Permission slips will be sent home in November, but we wanted you to know in case you need to make arrangements to miss work.

Music Program Also Dec. 12th

Students should arrive and meet us at 5:45 p.m. at the high school. The 4th grade program will be at 6 p.m.

Greetings from 4th Grade!

Students are doing an amazing job with their Purple folders. Purple folders are given out on Monday and need to be completed correctly by Friday.

We had a lesson this week with Ms. Chernoby, the school counselor. She came in to talk with us about Gratitude which is our character trait of the month.

Thanksgiving Food Drive—Ends November 17th. Please consider contributing either non-perishable food items or a ham or turkey to our classroom. The winning classroom from each grade level will win a pizza party. Even though that is a great incentive, we are truly looking to help families who are in need during the holiday.

Thank you for coming to conferences last week! It was a pleasure to discuss your amazing kids!

Math: We continue to work in Module 2—multiplication and division. This week we have tackled some more involved division problems. Students continue to have nightly homework except for Fridays. Any practice that students can do with those multiplication facts would be helpful.

Social Studies: We are learning about government in Social Studies. We started with a KWL to find out what the class knows about government. We hope that this will make our trip to Lansing a bit more meaningful.

AR: Students that were able to reach their AR Goal in 1st Marking period, attended a reward time today during RTI time. Our class had 23 students reach their goal. New goals were given out this week for 2nd marking period.
