Dates to Remember

Jan. 19th—Report Cards go home

Feb. 9th—12th—Mid-Winter Break

Feb. 14th - Valentine's Day Parties

(look for a sign up genius soon)

March 1st—Field Trip to Lansing

(reschedule date)

Greetings from 4th Grade!

Students are doing an amazing job with their Purple folders. Purple folders are given out on Monday and need to be completed correctly by Friday.

We had a lesson this week with Ms. Chernoby, the school counselor. She came in to talk with us about Kindness which is our character trait of the month.

Math: We continue to work in Module 3 Multiplication and Division. This week we have tackled some more involved division problems. Students continue to have nightly homework except for Fridays. Any practice that students can do with those multiplication facts would be helpful. We will have our end of module test next week (Friday I believe)

Social Studies: We are finishing up our government unit today and will be going back to Science next week. Our first unit will be on sound,

AR: Students that were able to reach their AR Goal in 2nd Marking period, attended a reward time today during RTI time. Our class had 23 students reach their goal. New goals were given out this week for 3rd marking period.

- ◆ I hope you all had an amazing holiday with your families! Kind of a bonus break with the 5 snow days that we had! Please remember that students go out for recess 3 times per day. They should have all of their winter gear every day that it is necessary.

Look for your student's report card and NWEA test scores to come home today. If you have any questions, please let me know!

We are half-way through our year together! It will be May before we know it!!
