MARCH 2024

## This Month in STEAM

Woodview students have been gearing up for the Belding Area Schools K-12 Art Show that will run from April 29-May 10 at the high school. Lots of 3rd-5th grade artwork has been and will continue to get selected to be displayed at the art show, and students are starting to get very excited! More information about the opening night of the art show is attached on the next page!

All grades will be learning about famous artists and their artworks and voting on their favorites during "Art Madness" this month as well!

Sincerely, Mrs. Courier

## This Month in Music

Happy Spring! Mrs. Crooks and students are advancing pitch and rhythm reading skills through the use of poems and instrument exploration. Also, fifth graders are using a March music madness bracket to strengthen skills of expressing opinions and perspectives of different music genres.

Sincerely, Mrs. Rich

## This Month in P.E.

In PE this month we will continue to work on shoe tying for third grade. All grade levels will begin working on basketball skills. We do not have the opportunity and space to play regulation basketball games, but we will work on the basics like dribbling, passing and shooting. If the weather permits, we will also be going outside to start preparing for our mile run (late April, early May) and go for a hike in our outdoor classroom area!

If the forecast is sunny and at least fifty degrees, we will be heading outside as much as possible for PE.

In good health,  
Mrs. Oswald
