

# WOODVIEW SPECIALS NEWSLETTER

with Mrs. Courier, Mrs. Oswald, and Mrs. Rich

MAY 2024

## This Month in STEAM

Happy May, Black Knight families! It is hard to believe that summer break is just around the corner!

This month, all grade levels are learning about how to be a responsible and safe digital citizen. They will learn about how to read online news articles, keep online friendships safe, make healthy media choices, and be an "upstander" when they see instances of cyberbullying. They will also learn about clickbait, copyright and plagiarism on the internet, and creating strong passwords. These are all very important lessons for children to learn in the 21st century!

Sincerely,  
Mrs. Courier

## This Month in Music

Students in music have been studying instrument families and will soon look at ukulele and composers to round off the year! I'm very excited to be back in the music room teaching May 10th!

Sincerely,  
Mrs. Rich

## This Month in P.E.

In PE we will be preparing for Field Day and finishing up our mile and 50 meter dash. We will be outside as often as possible to enjoy the beautiful weather! I hope to take each class on a final hike to the outdoor classroom area too.

What you need to know for field day: Parents are welcome to attend. Each class will have scheduled station times, bounce house and snow cones. We will have a hot dog lunch provided. I recommend that students wear comfortable clothing, shoes and socks. Bring a water bottle labeled with their name, and a change of clothing in case they get wet during water relays. Please apply sunscreen prior to coming to school. Socks are required for the bounce house!

In good health, Mrs. Oswald

The poster features a bright blue sky with white clouds and colorful triangular bunting flags in shades of red, yellow, green, and blue. In the center, a large blue circle contains the words "FIELD DAY" in bold, yellow, block letters. Below this circle is a yellow ribbon banner with the date and time. The background is a green field with rolling hills.
