## Dates to Remember.

Nov 22-24—No School—Thanksgiving  
Break

Christmas Concert—December 12th  
Dec 22nd—Half Day

Dev 25-Jan 5—No school

## Important Reminders:

- Woodview's Christmas Concert is scheduled for December 12th. The 4th grade concert starts at 6pm. There was a letter sent home with your student about all information, please let me know if you have any questions or did not get an information sheet.
- We will be going to the State Capitol on December 5th. More information about this to come!
- Please be aware of homework coming home with your student. It is important for them to complete what they have not in class, so please be checking with them every night to see if they have work to do!
- I sent out an email to those who still need to make up and schedule a conference with me. Please (for those who got the email) contact me with a time that works for you to conference in person or over the phone. Thanks!
- Please send in all Poinsettia Forms AND money to school on Monday if you ordered any plants.
- Please consider contributing to our Woodview Food Drive! Send items in with your child so that we can hit our goal as a class and a school:)

## **Week 12 of Fourth Grade!**

Our 4th grade class had a wonderful 12th week of school! We have been working hard in the classroom, and I am so proud of these 4th graders!

**Math:** We have started Mission #3 in math. We just finished up Lesson 15 this week, and we are working on multiplying and dividing big numbers. Please be aware of homework coming home. If the students do not finish in class, they should be taking it home. Please check in with them every night to make sure it is done. That way, they can bring it back the next day and it can be graded! I do remind them of any homework they may have every day, so please be aware. If you are looking to challenge your kids at home, quiz them on their multiplication and division fact families, we are focusing on mastering those now!

**Social Studies:** We are on the final stretch in our Government unit in Social Studies. In this unit, we will covered information about Government. The students did a great job of learning and focusing on what each branch of government does, and how each branch works. We will be all prepared for our Capitol field trip coming up next month!

**Language Arts:** We are right in the middle of our Wonders Unit 2 work. We have taken some time to really grasp on to the content we are learning and make it shine through our own writings and work. Next week, we will be writing a Compare and Contrast Essay. Students have also selected books that are fit to their reading styles and levels in class. Along with that, we have been building up our writing stamina We have created journals that the students write in weekly. Ask them about it, we all have been really excited for it everyday!  
**Please make sure to read with your students at home every night for 30 minutes.** This will only benefit them!

Have a wonderful weekend and please let me know if you have any questions!
